Holbrook Heath Sheffield BioBlitz Event

Date	Friday 18th May 2012
Time	14:00 until 16:30
Meet At	Holbrook Heath, Station Road, Halfway SK443813
Organised By	Sorby Natural History Society
Bus Route	Supertram terminus nearby.
Description	Jean Glasscock and Derek Whiteley will be leading a meeting to record the plants and insects at Holbrook Heath for the Sheffield BioBlitz. Holbrook Heath has the greatest recorded biodiversity of any site within the City of Sheffield so we are expecting a good range of interesting species.
