

# Friends of Heathlands Park

## Membership Application / Renewal form (2013)

Your annual subscriptions enable us to buy the compulsory small group annual insurance and the remainder goes towards the (minimal) costs which have enabled us to apply for grants (which are only available to non-profit groups such as the FOHP).

Since formation, the FOHP has had subscriptions totalling under £400 from members which our activities and successful grant applications have geared up to over £21,000 worth of extra spending in the park. This has enabled us all to have extra play equipment, develop the orchard and plant approximately 10,000 bulbs

We have also started fruit tree planting around the park to achieve an "Edible Landscape" and will continue to host **free** activities open to all (such as bird, bat and fungi walks) and those which have taken place in conjunction with Halfway Infants and Halfway Junior Schools.

Members also get regular e-mail updates on activities and events in the local area and Sheffield as a whole in addition to those going on in the park.

	Membership Type
(A)	Individual - £5.00
(B)	Family (at the same address) - £10.00

Name(s)	
Subscription (A or B)	
Address	
Post Code	
Telephone
